

News from The White Horse, Branaster Staithe

Dear Friends,

We now know what an 'Indian summer' really is. The weather in October has been amazing to say the least and great to see so many of you are still enjoying the freedom of being outdoors in our lovely county and seeing the amazingly colourful sunsets over the tidal marsh at the end of the day. Mussels are back on the menu and the geese are flying overhead but the sunshine is still beckoning us to the beach for those lovely long walks and the wide open big blue skies that north Norfolk offers. There will be roaring log fires but not just yet.

This is just to fill you in on our **'Season of tastes'** winter diary; we have lots to beckon you back.

Coming up at The White Horse 5 course menu and meet the local suppliers £27.50 (booking essential)
